Find better campaign issues....

The Guest Editorial from Mr. Craig Tortora speaks with a philosophical, “tisk-tisk” detachment more suitable to Mount Olympus’s Zeus looking down on pathetically flawed mortals. It could only have been written by Smithtown’s Democrat Chairwoman Elaine Turley a/k/a Aunt Blabby for Mr. Tortora. Will someone give this fellow a cram course in all the issues he could legitimately campaign on? And keep Aunt Blabby locked in the cellar.
